

**DREGS 2019 Spring Field Trip**  
**by Steve Zahony - DREGS Field Trip Leader**

The DREGS Spring Field Trip will start at 7AM, May 18, 2019, from the Days Inn parking lot in Grand Junction, so you are advised to make motel reservations for the night before. Days Inn serves breakfast at 6AM for those who will stay there. Please make your reservations for the following night, May 18-19, at the Rim Rock Motel in Naturita, Co. Telephone numbers for both motels are in the trip flier. The trip will end at 5PM on May 19 in Lisbon Valley, UT. If you plan to stay there overnight, please make motel reservations for yourself. Lisbon Valley to Denver is a long 5 hr. drive, so it is possible to get back to Denver in the late evening of the second day. We suggest that once you make your commitment to attend the field trip, make your motel reservations early. Carpooling and room-sharing are an option.

When you decide to attend the field trip, please register with Steve Zahony via e-mail or phone (szahony@comcast.net, 303-757-7902) and send a check for \$22 to Mike Ward, made out to DREGS. Please use the DREGS mailing address: P.O. Box 281217, Lakewood, CO 80228-8217. This nonrefundable amount guarantees your place on the trip and you will receive a printed road log of the trip. SEG has published a beautiful colored field trip guidebook, Guidebook Volume 59, that describes in detail the geology covered by the DREGS field trip. For members of SEG, an electronic jpeg copy of Guidebook Volume 59 can be obtained from SEG for \$0.10 per page. The Guidebook has 183 pages.

Jon Thorson will be the trip leader and guide for this exciting field trip. Hope you can join us.
